

## READING ACTIVITY

### Conjunctions

SKILL: **READING**

LEVEL: **A1–A2**

#### **A Busy Saturday**

My name is Liam, and Saturdays are my favorite days because I don't go to school. I usually wake up at seven o'clock and eat breakfast with my family. I like pancakes and hot chocolate, but my sister prefers cereal and milk. After breakfast, I clean my room because my mom always asks me to do it. It's not very fun, but I feel happy when my room is clean.

At nine o'clock, I go to the park with my best friend, Daniel. We play soccer for two hours and sometimes we ride our bikes. The park is big, so we have a lot of space to run and play. We always laugh a lot because Daniel tells funny jokes.

At noon, we are usually tired, so we go to a small café near the park. I drink orange juice, but Daniel drinks soda. We eat sandwiches and talk about our favorite soccer teams. Daniel likes Real Madrid, but I like Barcelona!

In the afternoon, I help my mom at home. I clean the table, wash the dishes, and sometimes cook lunch with her. I don't like cleaning, but I love cooking because I can eat while I cook. My mom says I'm a good helper and she always thanks me.

In the evening, I play video games with my cousin or watch movies with my sister. Sometimes we eat popcorn and drink lemonade. We usually go to bed late because Saturdays are full of fun things to do.

Saturdays are busy, but they are also my favorite because I can spend time with my family and friends. I love Saturdays!

## **PART I:**

Underline the correct answer.

### **1. Why does Liam like Saturdays?**

- a) Because he goes to school.
- b) Because he doesn't go to school and spends time with family and friends.
