### My Cozy Bedroom

My name is Emily, and I love my bedroom. It's not very big, but it's very comfortable. When you enter my room, you can see a big bed between the table and the desk. Next to the bed, there is a small table with a lamp on it. My favorite book is also on the table. There is a window behind the bed, and I can see the garden from there. Every morning, my cat Luna likes to sit on the window sill and look at the birds. Sometimes she hides under the bed when she's scared. My closet is next to the bed, and my clothes are inside it. Next to the closet, there's a big painting of mountains.

There is also a mirror on the door, so I can see myself before I go out. My desk is near the window. I usually do my homework at the desk. My backpack is always under the chair, and my shoes are beside the door. On the wall opposite the window, there are some shelves with my favorite toys and photos of my family. My room is full of color and light. I love spending time in my room because everything I like is around me!
